**Symposium on *i*-Management –
Challenges and Opportunities
6 June 2008**

Synopsis

This symposium is aimed at senior executives and professionals who are involved in intellectual property (IP) management including chief executive officers, chief information officers, middle to senior managers, R&D professionals and scholars with an interest in IP management as a means to strive for organisational excellence. It will provide all participants with a platform to share and exchange ideas on recent trends and successful applications of IP management. This one-day symposium will address the following areas of concern:

- global trend of IP management
- the roles of information technology in IP management
- strategies and challenges of IP management

Language

The symposium will be conducted in English unless otherwise specified.

Remarks:

1. *The Organiser reserves the right to change the speaker and/or topic without prior notice. A detailed Symposium Programme will be distributed during the Symposium. Please see our website <http://www.theiet.org.hk/sim08/> for the latest changes.*
2. *In case of adverse weather, this Symposium will be postponed and participants will be notified of the arrangement.*

Enquiry

Please contact Ms Elsa Wong on 2778 1611 or by e-mail: reg@theiet.org.hk.
