

Tackling the Copyright Amendment Bill

You are invited to InternetNZ workshops that will address the planned changes to the Copyright Act.

■ The workshops will discuss aspects of the Copyright (New Technologies and Performers' Rights) Amendment Bill including ISP liability, technological protection measures, fair use, rights of copyright owners vs. rights of users, and format shifting.

■ **Wellington**

10am—5pm, Tuesday 13 February
InterContinental Wellington

■ **Auckland**

10am—5pm, Wednesday 14 February
SKYCITY Auckland Convention Centre
