36th ANNUAL FESTIFALL EVENT GUIDE

The Chapel Hill Parks & Recreation Department invites you to "Meet us on the West End" on October 5th to discover West Franklin Street and celebrate the diversity of our community! The 36th Annual Festifall Street Fair will feature handmade crafts by local artists,

an abundance of children's activities, talented musicians on four stages, and a great time for the entire family. Chapel Hill demonstrates a diverse

community as reflected throughout the fair.

Over 70 arts and crafts vendors will offer a colorful array of wares, highlighting many different art mediums as well as cultural backgrounds. Oil paintings by a Peruvian artist, Tae Kwon Do demonstrations, Ecuadorian art, and henna body art are just a few. The West End will transform into a cultural gathering place where participating artists display their artistic contributions and community members have an opportunity to appreciate and purchase them. Fair artists will display pottery, jewelry, birdhouses, watercolors, glass tile mosaics, bottle cap art, soy candles, wool rugs, handbags, hemp apparel and much more!

Town Departments will provide information on services provided for local citizens. Non-profit organizations will share information on a variety of

activities for fairgoers and will include face painting, games, and tons of free giveaways!

Four separate stages will showcase music and entertainment for everyone. Kids will be delighted with performances by songs in American sign language, and music with Suzanne, while the adults can rock out to covers and originals at the main stage, or enjoy local folk music and inspirational artists at the center stage and inspirational stage.

Let the map at the end of this guide show you where you can enjoy lunch with local restaurants along West Franklin Street. The wonderfully cultural and often local tastes of Chapel Hill might include a slice of pizza from Italian Pizzeria III, or a "shwarma" from Mediterranean Deli. And don't forget to sample one of Carolina Brewery's hand-crafted brews! Enjoy live entertainment after the festivities.
