ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

(Please check if you agree.)

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.)

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area.

Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Please provide a brief statement outlining why you wish to serve on the Advisory Boards, Commissions, or Committees you have indicated.

I have served on the Public Arts Commission for 3 years. During that time the Commission switched from being an independent 501C3 non-profit to a direct advisory board to the Town Council. In addition, the Commission as reconstituted has been able to increase the role of art and culture within the the town and withing town government. I believe I have been able to contribute to this expansion of civic art and life and would like to continue to do so on the Public Arts Commission. Especially during this period of budget retrenchment where finding innovative partnerships to accomplish community goals is so very necessary.
