Factors: outdoors

Maint/Trtmnt rec? ASAP TBD as \$/time permits no not yet inspected

Condition: 7/11/2014 - overall good, though a few bronzes have "dirt" or have lost wax coating on wall-side: boot, helmet, toy & inside of paint can. Toy is esp. dirty.

Maintenance /
Treatment Rec.: Clean & rewax (3hrs) once each year, next in 4/2014. Use pH neutral show polish (Regutti rec.). For more see p.1-3 of "IOH_specs&maint" .JPGs

Earlier Reports: 4/18/2013 - SBW inspected, cleaned, rewaxed. Condition good, very few tiny spots of green corrosion do not appear to have expanded since former waxing.
