

WHAT MAKES LGFCU DIFFERENT?

WE ONLY SERVE YOU

Local Government Federal Credit Union is the only statewide credit union exclusively serving municipal and county employees, elected/appointed officials, volunteers and their families. Read more about what makes us different. See many of the products and services we offer on the back and join today! For the most up-to-date information, including rates, visit www.lgfcu.org.

YOU MATTER

You're a member, not a number. Our members often qualify for loans from us that big banks wouldn't consider, with much more reasonable rates and programs to help pay the money back. And because we are a not-for-profit cooperative, each of our members is a stakeholder in LGFCU. Every member gets a vote. Every member helps to decide and shape our future.

WE'RE NEARBY

Rather than operate our own branches, LGFCU partners with State Employees' Credit Union (SECU) to share its network of more than 250 branches and 1,100 ATMs across the state. So wherever you see an SECU branch, it's an LGFCU branch, too. To find the location nearest you, use our branch/ATM locator at lgfcu.org/locations.

JOIN TODAY

Joining LGFCU is easy! Just visit your local branch or call the Contact Center at **888.732.8562** and open a Share Account with as little as \$25. Calls may be recorded for quality assurance.
