

Hello!

First of all, thank you to all 2016 Bee Jubilee participants! It was a buzzing success with 40+ vendors, numerous speakers and demonstrations and an estimated 400 attendees! We hope you will join us this year.

On behalf of the Granville County Beekeepers Association (GCBA), I would like to extend an invitation to you and/or your business or organization to join us at our 2nd annual Bee Jubilee on Saturday June 24th, 2017 from 9-5 at the Granville County Expo Center on Highway 15 in Oxford, NC. This year it is in conjunction with National Pollinator Week, June 19-25. Learn more at www.pollinator.org.

Home Grown. Hand Made. Local. And of course bee, agriculture and nature too! The Bee Jubilee is a day-long event filled with mini educational workshops and demonstrations, local arts and handmade crafts, non-profits, children's activities, silent auction, North Carolina grown produce and more!

This event hosted by GCBA will be held at the Granville County Expo Center located at 4605 US-15, Oxford, NC. We can't make it happen without you! We are seeking vendors, speakers, organizations, fun features and anything or anyone that would make our event even better. This is a great opportunity for fund raising or to increase publicity for your business or organization.

Please join us for a vibrant and fun filled jubilee event. Please take a minute to look over the enclosed application package and apply no later than May 1st.

We look forward to your participation and support. Please call me with any questions, comments or ideas. We are hoping to grow this year!

Sincerely,

Christi Henthorn

Granville County Beekeepers Association President 2017 & Bee Jubilee Coordinator
