NETWORKING & INSPIRATION

Ecovillages act as research & training centres for sustainable development within wider society. The conference is designed to combine inspiring talks and project presentations with experiential workshops in smaller groups. The hosting Eco-Valley Foundation will serve as a living example and field of practice.

Full Funding available

Those working in the field of adult education can apply for a Grundtvig grant covering all costs, including travel, accomodation & conference fee. To be eligible, you have to be a resident of a EU member state, Turkey, Norway, Iceland, Croatia or Liechtenstein.
