Document repository

- Anyone seen this yet?
- Initial reactions
- Follow-up in email

Recruiting contributors

Possible contributors:

- Peter Woodbury – CU – biofuels, nys level [?]
- Krishna – Marty will check
- Rob Young – Josh will give email – teaches Green Cities class at CU, Sustainability Coord for NJ
- Michael Smith – IC course – Bethany

Possible reviewers:

- EcoVillage/IC collaboration – professors
- County contacts – Simon

Sustainability directory

- [Josh:] Trying to compile with people, organizations, and places; could add this to the repository... directory of sustainability people and efforts, web sites, etc.
- [Jon:] Dave's software supports this.
- [Dave:] Willing to add it.
- AGREED that this is a good idea; we will need to talk about access, role assignment, etc.

Work schedule for January

- Set up and populate the repository?
- Ready to form team(s)? [A: not quite yet]
- AGREED to focus on finishing the outline this month, finalizing research areas and completing research questions
- ADD to outline: liaison with other efforts – counties and state
- In February we will form teams and assign people

Next meeting

- AGREED to hold next month's meeting at the same time (first Saturday) and place: 4 February 2006, 5-7 p.m.
- Note to TCRP observers: contact bosak@ibiblio.org if you are interested in attending
